Once membership fees are received, the Competition Steward will contact you with login details for Photo Contest Pro. Photo Contest Pro is the online portal for uploading your competition images. You will also receive the Club Handbook, which lists our yearly competition and outing details.

Note: Part-year membership is available if joining from July onwards. Please see the Treasurer before paying fees if joining after the month of June.

Competition Classes:

The club has two classes for competitions, Standard and Novice.

Each year members must nominate the class they will compete in.

The novice class is intended for true beginners in photography, we encourage any member with some experience in photography to enter the standard class.

For further information, please see the competition rules in the information booklet or visit
